

2021 MADISONVILLE COMMUNITY COUNCIL

The purpose of the **MADISONVILLE COMMUNITY COUNCIL** is to enlist residents willing to work to maintain high community standards of health, housing, education, recreation, public safety, and the general welfare of the community. Madisonville Community Council is a non-sectarian and non-political organization.

Madisonville Community Council is the organization the City of Cincinnati Government recognizes as the “voice” of the community.

Madisonville continues to be a growing community, and it is important for all residents to participate in necessary meetings and to be informed of the things that are impacting our neighborhood- housing concerns, neighborhood safety, support for both the arts and recreation, business development- all while continuing to bring robust programming to your door.

Your membership fee, your time, and commitment will benefit not only you but also the community at large. Please take the time to send in the form below with your membership for 2020 and plan on becoming an active resident of the community of Madisonville.

Membership – *Individuals and business/organizations may become members upon payment of dues. A member shall be considered active 21 days after payment of dues and resident members are then entitled to vote. A Madisonville business/ organization member shall designate an individual to cast its vote. Dues are paid annually by calendar year. Membership is \$5.00 for individuals over 18 years of age and \$25.00 for businesses and organizations. Become a member and have a say in the decision-making process for your community.*
